PF 32/17 - To meet with representatives of Young people Cornwall and discuss the group using the park for activities.

The representatives from Young People Cornwall were introduced and gave the Trustees a presentation. They explained that this has been running since April 2017 and they are currently looking for funding to run the project for the next year. The project is interacting with youngsters in the area and sessions are currently being held at the football club due to bad weather and dark evenings the sessions take place once a week and providing the funding is obtained they are looking to move back to the park in April 2018.

Trustees informed the representatives that although they fully supported the project the Parish Council at this moment in time are not in a position to offer the amount of funding required. Cllr Mrs J Clarke did pass on advice for local funding that would be available to the group. The representatives were told that they did have approval from the Playing Field Trust to use the facilities, but they must liaise with the clerk and provide copies of the relevant paperwork and a timetable of when the park is in use so that arrangements can be made with the group to ensure that the gate can be unlocked if necessary and if there were instances where the park was not available for their use. The Parish Council will also be able to help with advertising of this project in the local community.
